On Premlex Electrical

Many customers struggle to find an electrician, we aim to make that easier. We have Jess in the office (a local mum who works school hours) 4 days a week and an answering service help out when Jess isn't in. We aim to reply to all calls and emails within 24-48 hours. We are a small, local, family run business, so we aim to treat every customer, whether commercial, or domestic, with the same urgency and respect.

We mainly cover Southampton, Winchester, Eastleigh, Fareham and surrounding areas; however, we are happy to travel further afield for some contracts and regular customers.
